Tues 16th Dec	P&C AGM 12noon
Wed 17th Dec	Yr 6 Fun Day at Mingara
Wed 17th Dec	Students last day

PRINCIPAL'S REPORT

Welcome to Week 8 and only a few weeks until Christmas, but still lots to get done before everyone enjoys a well deserved rest. Thank you to our school community who have downloaded our new school App, which is designed to improve communication between the school and our school community.

Please also be aware that over the next few weeks the police will have a greater presence in the area especially around the school in the mornings and afternoons. I urge all motorists and pedestrians to continue to obey the road safety laws to ensure the safety of our students and school community, especially in the Kiss and Ride zone.

Congratulations to all the students that have visited my office in the last fortnight to show me their wonderful writing and maths. The quality of the work is truly outstanding and shows that The Entrance Public School has very talented students and amazing teachers.

A reminder that if you have a concern regarding a conflict or have a concern with another student and your child that it is NOT appropriate to approach the child, all concerns must be raised with a staff member, Assistant Principal, Deputy Principal or the Principal. Failure to follow the correct way of dealing with these issues may result in the Police enforcing the Inclosed lands Act which then prevents access to the school.

Some kids will read perfectly in primary school and then suddenly struggle with comprehension in high school. Here's why. Comprehension help:

<http://www.schoolatoz.nsw.edu.au/homework-and-study/english/english-tips/reading/comprehension-strategies-you-can>

Planning for the future: Throughout your child's school life you'll need to make choices about aspects of their education and future. Here's a selection of tips to help you plan for parent-teacher talks, subject selection, careers advice and back-to-school.

Planning for the future:

<http://www.schoolatoz.nsw.edu.au/homework-and-study/planning-for-the-future>

Maths at home: Kids' early experiences with measurement are often based on watching their parents. Seeing mum or dad measure and pour ingredients for a recipe or weigh items at the fruit shop will often become part of their play.

Maths at home:

<http://www.schoolatoz.nsw.edu.au/homework-and-study/mathematics/mathematics-tips/helping-your-child-measure-mass-and-volume>

Have a wonderful week.

Mark Rudd
PRINCIPAL

DEPUTY PRINCIPAL'S REPORT**2015 House Captain Voting**

Congratulations to the following students who stood for house captains for 2015:

Ospreys – James Alexander, Dean Owen, Jack Raffin, Sam Walker, Jasmine Badger, Bronte Galea, Cheyenne Widmer.

Pelicans – Jackson Thomas, Lochlan Welchman, Jayden Mills, Maddison King, Maddisyn Apps-Gale, Kyra Bajac, Isabella Elward.

Seagulls – Mitchell Nitschke, Logan Camilleri, Nathan Hughes, Joshua Shaw, Luka Trnka, Rohan Buckley, Billee Confoy, Josephine Sturdy, Jacqui Rose-Correa, Delveen Andrews, Chantelle Kain.

Swans – Jaydan Bannister, Jed Dunsmore, Cameron Roderick, Konna Fulwood, Kye Watman, Owen Arenas. Tianna Williams-Ransome, Clarice Hartin, Kayleigh Meilak

These 34 students presented their speeches today to the Years 3, 4 & 5 members of their house. After the speeches the students and teachers voted for the boy and girl house captain and vice captains. At the time of printing the results had not been finalised. These will be printed in the next newsletter.

Win Bin Winners

The following students were drawn out for the win bin awards: Jess Galbraith 2A, Ashleigh Crump 2K, Katrina Koop KA and Isla McMeekin KA. Congratulations to all of our wonderful students.

End of Year Presentation Day Assemblies

Our end of year presentation day assemblies are fast approaching. The Years 3-6 Assembly will be held on Monday 15th December, commencing at 9.45am. The Kindergarten to Year 2 Assembly will be held on Tuesday 16th December commencing at 9.45am. At these assemblies we recognise some of the students who have stood out in their academic achievements and for citizenship. All of the Kindergarten students will be receiving their Kindergarten Certificates of Graduation at the K-2 assembly.

End of Year Reports

The teachers are very busy setting and marking student assessments in preparation for the end of year student reports. These will go home on Monday 15th December.

Warren Mee

DEPUTY PRINCIPAL

SCHOOL APP

Great News! We now have a mobile phone app. What's that you may ask, it is a little application that sits on your phone and gives you instant access to our local community information when you click on it, 24/7. The app is going to give you the ability to instantly access newsletters without going to the website, find our venues and most importantly receive important pop up notifications from us. We will be sharing many of the other features with you over the coming weeks, but for now download it to your smartphone by going to either the Apple App Store or Android Google Play Market and search for our name. Once you have found it press install or download. Or just scan one of the QR codes below with your QR reader app to go straight to the download page.

Lianne Tolman
The Entrance Public School

PRESCHOOL ENROLMENTS FOR 2015

If you have a child who will be turning four years old before the 31st July 2015 and you would like to enrol them in our preschool for next year, please collect an application form from the front office. There are only 40 places available. The preschool currently operates two groups; one operating every Monday and Tuesday and alternate Wednesdays, the other operating Thursdays and Fridays and the alternate Wednesdays.

Priority must go to children who live in The Entrance Public School area and will be attending kindergarten at The Entrance Public School in 2016. Preference must also be given to students who have a disability, come from a low socio-economic family situation and/or are of Aboriginal or Torres Strait islander descent. A birth certificate is also required for proof of age.

The Garawa Pre-school is run by the Department of Education and Communities and fees have been heavily subsidised to cater for the needs of our community. This year the full fee rate per day is \$15 per day. If the family has a Health Care card or are Aboriginal, fee relief is applied and the cost is reduced to \$7.00 per day. To date fees have not been given to us for 2015.

KINDERGARTEN 2015

Preparations for Kindergarten 2015 are now underway. Please contact our office if you have a child starting Kindergarten next year.

Stephanie Ainslie
KINDERGARTEN SUPERVISOR

The Entrance Public School

invites you and your family to come along to our

Christmas Concert

When: Wednesday 10th December 2014

Where: The Entrance Public School

What to bring: Bring your picnic rug and chairs

There will be a BBQ starting at 5.00pm

The Concert starts at 6.00pm

Come along and join in the family fun!! ..

K-6 BW NEWS**K-6BW****21st Century Classroom**

Last week K6BW spent time in the 21st Century Classroom where they were exposed to a wide range of new and exciting technology. Some of their experiences included taking a photo of themselves and adding fun special effects, learning about basic programming language using the Kodable app and making fun cartoons using Chatterbox. The Bee-Bots, programmable floor robots, were a great hit and we will be using these in the classroom to enhance learning in numeracy and literacy in the next few weeks. A huge thank you to Ms Tolman for providing this fun and engaging learning experience for our students.

Bowling Excursion

Our Bowling Excursion will be on Friday 5 December. Please return your money and permission note as soon as possible. Children may wear mufti clothes, which can be on a Christmas theme.

Perfect Pikelets

On 2 December our senior students will be making a delicious morning tea of pikelets, jam and cream to sell to staff. Students will be involved in all aspects of this event, including publicity, collecting orders, counting money, shopping, cooking and delivering orders. It is a great opportunity for students to learn and apply a wide range of literacy, numeracy and life skills. This event will raise money towards our bowling excursion.

Home Reading Awards

Congratulations to the following children who have received Home Reading Awards:

Cait Hinton, Paul Harrison and Ella Miles – Sand (25 nights)

Grace Groves-Loveridge – Ocean (100 nights)

Ryan Owen – Pearl (125 nights)

Britney Chandler – Double Pearl (250 nights)

Gemma White, Mary Best & Chris Green
Support Class Team

1F: Rhiarna Jago

The following children have received their **Double Pearl Award** (250 nights)

1DM: Letitia Page

2K: Tye Page

2A: Taylan Bennett

The following children have read 275 nights and on their way to 300 nights:

2A: Scarlett Simmons

2M: Jakaya Raics

Regards

Stage 1 team

PERSUASIVE WRITING

Students have been busy writing persuasive texts on a number of topics. I would like to share with you some writing samples from Years 1 and 2. Students have been given a plan to follow for writing an introduction, their arguments and conclusion. The samples below focus on the introduction and arguments.

Every child should learn to swim.

Swimming is an activity to play in the water with your friends. You can also learn to do dog paddle, kicking or butterfly. There are many places all around the world where you can swim. There are 3 main reasons why every child should learn to swim.

Rebecka 2K

Firstly swimming is good for your body. It is healthy and gives you exercise.

Secondly swimming saves you from drowning. If you get into trouble you can swim to the edge.

Finally you can play with friends in the pool with toys. You can have a lot of fun if you know how to swim.

Mia 2K.**Every child should learn to swim.**

Swimming is an activity and sport done in the water. You can swim in pools, the ocean and at beaches. Children all around the world like swimming. There are 3 main reasons why every child should learn to swim.

Brendan 2K

Firstly swimming is a fun thing to do on a hot summer day.

Secondly it is good to learn to swim because it can help people and yourself from drowning.

Finally swimming can make you famous and fit if you keep practising for long enough.

Kadin 2K**Every child should learn to swim.**

Swimming is a water sport and it helps you get stronger arms and legs. There are places that you can swim such as dams, the ocean and rivers. Children all around the world love swimming. There are 3 main reasons why every child should learn to swim.

Tye 2K

Firstly swimming helps you get out of strong waves and currents. You are able to save yourself.

Secondly swimming can make you famous. You might go to the championships and win races.

Finally swimming is fun to do with your friends on a hot summer's day. Swimming can also cool you down.

Yeliz 2K**Every child should learn to swim.**

Swimming is a type of fun sport in water. There are many strokes like butterfly, breaststroke and freestyle. Kids all around the world love swimming. There are 3 main reasons why every child should learn to swim.

Ashleigh 2K

Firstly swimming is fun and you can play with your toys and friends. Children should be able to swim so they can jump in a pool on a hot summer day.

Secondly swimming gives your body exercise. Exercise is good for your bones.

Finally if you are surrounded by rocks in the ocean you can swim diagonally and save yourself.

Jayden 2K**Every child should learn to swim.**

Swimming is a water activity that can stop you from sinking. You can swim in a pool and an ocean and at the beach. Lots of people swim all over the world. There are 3 main reasons why every child should learn to swim.

Reeve 2K

Swimming is a good thing to do in the water and we can help people who are drowning. You can do three different styles like dog paddle, butterfly and freestyle. You can swim in different places all over the world. There are three main reasons why every child should learn to swim.

Marshall 2K

Firstly swimming is fun.

Secondly swimming stops you from sinking.

Finally you can save people.

Jack 1P

Firstly children should learn to swim because they could fall in the water.

Secondly swimming keeps you fit and healthy. It is a way to exercise.

Finally you can play with your friends.

Eva 1P

Firstly swimming can stop you from drowning. Children don't want to drown.

Secondly swimming can make you strong. You can get healthy by swimming.

Finally you can play games with your friends. That's why I think every child should learn to swim.

Chloe 1P**Sue Densmore - Learning & Support****STAGE 2 NEWS****3****4**

Stage Two had a You Can Do It Fun Day yesterday. Students engaged in fun activities associated with their emotional and social competencies such as resilience, confidence, getting along, persistence and organisation. Students engaged in activities that will build these personal competencies. It involved fun team games and activities. This was an exciting learning experience for all students in Stage Two, look out for photos in the next newsletter!

A fortnight ago Stage Two students had a Science Fun Day. Students engaged in investigations and experiments in science. They rotated through such activities as making goo with cornflour and lava lamps. Students made gliders and floating devices with paddle pop sticks. Other experiments include exploding lunch bags involving investigations with general household chemicals. Please see some of our goo photos.

Stage Two Gold Day notes are coming home this week. We will be going to Bateau Bay Bowling followed by a BBQ lunch and treats at the PCYC at Bateau Bay. This should be a great day for those Gold Award winners. Alternative arrangements will be made for those staying back at school.

The Semester 2 reports will be sent home on Monday 15th December. Only the work covered this semester (Terms 3 and 4) will be included in the report. The Semester 1 report covered Terms 1 and 2. When reading the reports it is important to remember that 'Sound' achievement indicates that your child is making sound progress in relation to what he or she was expected to learn over the last semester – your child is on track. While 'Outstanding' achievement to 'Limited' achievement grades are an important indicator of your child's progress they are only part of the picture.

Student reports also include information on your child's level of effort and teacher comments on progress in each subject. This will provide you with an opportunity to really acknowledge and praise your child for their achievement and efforts. If you wish to discuss your child's progress, issues concerning their behaviour, how they are achieving compared to their peer group or any other issue please contact your child's teacher to make an appointment at any time.

Students who make my day K-6. By Mrs Gordon

Some children continually do the right thing. They do everything they are asked, they work hard in class always striving for their personal best, they show respect to everyone, they are responsible and they care about their school and the people in it. The last two weeks teachers have been undertaking professional learning on writing and many teachers and students have shared their writing. These persuasive pieces of writing and poetry have shown considerable improvement. These students have and continue to do themselves, their families and their school proud.

Stage Two Team

Vanessa Gordon (rel Supervisor) Ally Bayfield, Hannah Cooper, Katerina Hindson, Mark Littlewood, Natasha Shuker

Teachers representing The Entrance Public School

On Thursday 13th November Mrs Natasha Stanford and Ms Hannah Cooper represented our school at the Primary Executive Leadership Network.

These two teachers shared our Mathematics initiatives and resources. The audience involved executive leaders from schools all over the Central Coast.

The audience was very impressed with what we are doing here and we have been flooded with emails asking for advice, support and materials.

Well done Mrs Stanford and Ms Cooper.

The Year 6 Formal committee are asking for donations of empty Moccona coffee jars. Please drop them off at the canteen. Thank you

STAGE 3 NEWS

Hey Team,

5

High School Orientation

By all accounts our High School Orientation Day went really well. Students enjoyed the different activities that they were exposed to and had the opportunity to 'try high school on for size'. The next important high school transition event is the

Year 7 Gala Day (see dates below).

AVID

Next week Mrs Ambrose, Miss Dawson and I will be travelling to Melbourne for four days to do an intensive course concerning student learning. We will be joining approximately 80 other teachers from across the region. We will be learning about a number of teaching strategies that will help improve student learning and achievement. The AVID program is very much a part of Tumby High School and has proved successful.

Sand, Surf and Sun (SSS)

We have been having a great time at SSS each Friday. Our students have been learning valuable water safety skills each week. Students please remember to bring your hat, sunscreen, rashy and a bottle of water each week. We live on one of Australia's greatest stretches of coastline - we want to make sure that all of our students are water confident and safe. A huge thank you to Mrs Ambrose for organising this event.

Year 6 Kindergarten Photos- LAST CALL!

We have asked all Year 6 students to bring in their kindergarten photo (or as close to kindergarten age as possible) to be included on a slideshow that will be shown at the Year 6 farewell. This is a great part of the night and it would be wonderful if all photos could be collected ASAP. Please bring them in a clearly labelled zip-lock bag and they will be returned as soon as they are scanned. Hand these photographs to Miss Dawson. There are still a number of students who need to bring in photographs. We really want to make this a great occasion for our kids so please help us with this.

Upcoming High School Dates:

Wednesday 3rd December - Student Gala Day. Students find their way to Tumby HS and meet in the school Gym, where they will be transported to EDSAC for a Gala Day. **Permission noted and medical forms need to be returned to school ASAP for this event.**

Have a great week,

Russell Stefans

Assistant Principal Stage 3

LOLLY GUESS

The P&C are raising funds for the Yr 6 Farewell during November. \$1 for each guess of how many lollies are in the jar!

You won't miss the HUGE JAR travelling around the school so get in quick with your guess.

P&C FUNDRAISING COMMITTEE

SECOND HAND UNIFORMS NEEDED

Are your kids off to high school?

Too big for their uniforms?

Please donate any uniforms you no longer need to our uniform shop for the benefit of others in our school.

Thank you

P&C

LIBRARY NEWSLETTER

We are fast approaching the end of another great year at TEPS. A few things to be reminded of over the next few weeks in the Library:

Premiers Reading Challenge Assembly

To be held on Tuesday 2nd of December in the hall.

Kinder - 2	9.30 am
Yrs 3 - 6	11.45am

Students will receive their certificates at this time with parents being welcome to join in the awards ceremony.

2 for 1 Book Fair

We will be holding a 2 for 1 book fair on Thursday 27th and Friday 28th November in the Library. This is a great opportunity to shop for Christmas. Simply purchase a book and receive one of your choice at the same value for free to take home on the day. There is no reordering at this book fair. The Library will be open from 8:30- 4:30 on both days for you to come in and shop.

Borrowing - Week 8

There will be no borrowing from Week 8 onwards and students will be asked to return all outstanding Library books.

Adopt a Nipper Program

This week a note went home for Adopt a Nipper Program. This is a local initiative from businesses to give students the opportunity to attend Nippers at our **local Surf Club at The Entrance for free!!**

Simply return to the office your signed note. If you have any questions please feel free to contact me. I am happy to chat before or after school at the office. I have been involved with Surf Life Saving for 8 years on the Central Coast and see this as a wonderful opportunity to ensure our kids are safe at the beach.

Kaye Chaffer
The Entrance Public School

SRC NEWS**TEPS CHRISTMAS TREE**

The SRC would like to thank all the classes who assisted in making decorations based on the theme of Dr Seuss for our school Christmas Tree at Erina Fair. Our tree will be on display till December 23rd.

Thank you for your support,
Ally Bayfield & Nikki Wilson
Student Representative Council.

AL passages inspired by our trip to Canberra and the book "The Bridge to Terabithia" by Katherine Paterson.

When we got at the War Memorial at Canberra, we were silent. I stopped. A shiver ran down my spine, as I remembered those who fought for us. Walking along the long corridors, the walls covered in blood red poppies, hinged next to the rows and rows of names. I paused. I looked around me and I thanked them, the soldiers, for fighting for us. A soldier played the last post and I remembered them. Grateful for their sacrifice...I whispered "thank you for serving our beautiful land". Lest we forget!

By Roszaly 5/6A

When the tired Stage 3 students got to the cabins, they gasped, it wasn't what they expected. The small huts at the place looked like matchboxes emerging before our eyes. There they stood surrounded by bush, branches and leaves waving and curling around them. Like so many wild dogs the excited kids laughing and dancing, excited to be off the bus at last. The teachers were daring them to have a talent contest...that is not going to happen. "That is embarrassing" the children's voices were loud.

By Tamika 5/6A

When we arrived nothing but shock astounded me. It was not believable...the amount of names...so many lives lost. Then the sound of planes flying overhead, making me think about this. Bullets and bombs going off in my stomach. Would I be able to face the jaws of evil. I couldn't get my friends and family out of my head. Again I could not get the fear of death out of my head.

By Elliott 5/6A

When we got to the War Memorial of Canberra, we stopped. It was a beautiful sight. The walls were full of poppies covering the names of soldiers. In the middle a fountain full of coins, flowers and leaves swirling about like feathers on a windy day. People walking by, throwing coins in and picking up flowers to place on the wall next to the names of dead soldiers. "Woah" I whispered.

By Omnia 5/6A

When we got to the War Memorial at the round-about we stopped. It was a sad sight. All the poppies in our sight, they were like a red wave crashing onto the rocks. We went inside, seeing all the names on the cold steel...I got a rush of goose bumps along my spine. I thought there are so many people that served our country...the ceremony started.

By Hayden 5/6A

We arrived at Questacon...my happiness was never going to stop. The science...the love, was like a rocket sent to infinity beyond the shiny stars. I was going to be the first girl on the giant slide; this was like so many dreams coming true. This life of mine was loving and feeling content, the comfort of knowing I was here. "Wow" Tara you've made it.

By Tara 5/6A

When they got to the long wide doors of Parliament House we stopped, we were jumping with excitement. It was the most amazing sight, the long wide building was a bellowing secret city, swishing before it great guards from New South Wales, Queensland and Victoria. They ordered us about like all the royal wealthy kings and queens. The paintings of past leaders daring us to come closer. "Oh my gosh" Courtney's and Josie's voices were refined.

By Josie 5/6A

When we arrived at the War Memorial of Canberra we stopped. It was a beautiful sight. The long red wall was bursting with flowers, diving before the names of great soldiers. Poppies, wishing wells and the never ending fire, surrounding the names that resembled so many ancient ruins. The screaming children, crying for their soldiers, daring them to help. "Why" Charlie's voice was respectful.

By Courtney 5/6A

Nutrition Snippet

The simplest way

...to make a Christmas centerpiece.

Get creative these holidays with a fruit and veg inspired centerpiece for your Christmas feast!

The picture on the right uses layers of baby tomatoes, rosemary and cheese but you could use:

- Layers of thinly sliced green and red capsicum, with slices of carrots in between
- Baby tomatoes and basil
- Kiwi fruit, watermelon, rockmelon
- Use mixed berries: blueberries, strawberries, raspberries.

If you have fruit + veg on your table, you'll be surprised how quickly it will be eaten.
