STUDENTS IN YEAR 1 to 6 RETURN Wednesday 28th January 2015

PRINCIPAL'S REPORT

Week 10 and Term 4 is nearly finished, I would like to wish all our families a safe and relaxing holiday and a very merry Christmas. Congratulations to our students and staff who have demonstrated outstanding commitment to their learning over the past year and deserve a holiday. Good luck to our Year 6 students as they move into their next stage of education, I am sure they will continue to enjoy learning, also good luck to the families that will move over the Christmas holidays.

Thank you and a huge congratulations to our wonderful P&C led by Alison Leger who have had an enormous impact on the programs and resources that enable The Entrance Public School to provide outstanding opportunities for our school community. This year they have helped with the Shade Sails over the Kindergarten area, the digital signage, the 21st century learning program, the breakfast club, developing the 2015-2017 school plan and countless hours at school functions.

Please also be aware that over the last two weeks the police will have a greater presence in the area especially around the school in the mornings and afternoons. I urge all motorists and pedestrians to continue to obey the road safety laws to ensure the safety of our students and school community, especially in the Kiss and Ride zone.

Choosing school shoes: Are expensive school shoes the best option for happy feet? Let's face it. School shoes have never been at the cutting edge of fashion. In fact if you look at what your parents were wearing, the humble school shoe really hasn't evolved much at all.

Tips for choosing shoes:

<http://www.schoolatoz.nsw.edu.au/wellbeing/health/choosing-the-right-school-shoes>

Teach your kids to be waterproof: As temperatures rise, the risk of drowning increases too. Review these water-safety tips to help keep your family safe this summer.

Find out more:

Road safety reminder for parents and carers these holidays: Remember when walking near roads, on footpaths, near driveways and in car parks always: hold your child's hand, talk to your child about road safety and point out road safety dangers and differences in new environments.

The best way to keep your child safe on or near the road is to hold their hand. Talk with your child daily about road safety. For further information visit: <http://roadsafety.transport.nsw.gov.au/stayingsafe/children/pedestriansafety.html>

End of Year Presentation Day Assemblies

Our end of year presentation day assemblies are fast approaching. The Years 3-6 Assembly will be held on Monday 15th December, commencing at 9.45am. The Kindergarten to Year 2 Assembly will be held on Tuesday 16th December commencing at 9.45am. At these assemblies we recognise some of the students who have stood out in their academic achievements and for citizenship. All of the Kindergarten students will be receiving their Kindergarten Certificates of Graduation at the K-2 assembly.

End of Year Reports

The end of year reports will go home next Monday 15th December. Please take the time to sit down with your child and to go through the report with them and praise them for the improvements and hard work they have put into their year of schooling. I have been very impressed with the reports that I have read.

Road Safety

One of the afternoon bus drivers has expressed his concern at the number of people (adults and children) crossing the road either in front of the parked bus or behind it. He has witnessed several near misses with oncoming or passing traffic. **Please use the pedestrian crossing at the corner of Campbell Ave, it is not much further to walk and well worth it, if it saves a life.**

A Big Thank You

Finally a very big thank you to all of the students for the hard work that they have done throughout the year, in class, in the playground, on the sporting field, in other cultural activities and in everything else. We have had a very enjoyable and successful year because of your commitment to do your best. Thank you also to the parents for your continued support throughout the year. Success only comes if home and school work together. Well done, have a well earned and restful break and enjoy the Christmas period.

Warren Mee**DEPUTY PRINCIPAL****SCHOOL APP**

Great News! We now have a mobile phone app. What's that you may ask, it is a little application that sits on your phone and gives you instant access to our local community information when you click on it, 24/7. The app is going to give you the ability to instantly access newsletters without going to the website, find our venues and most importantly receive important pop up notifications from us. We will be sharing many of the other features with you over the coming weeks, but for now download it to your smartphone by going to either the Apple App Store or Android Google Play Market and search for our name. Once you have found it press install or download. Or just scan one of the QR codes below with your QR reader app to go straight to the download page.

KINDERGARTEN 2015

Preparations for Kindergarten 2015 are now underway. Please contact our office if you have a child starting Kindergarten next year.

Stephanie Ainslie**KINDERGARTEN SUPERVISOR****PRESCHOOL ENROLMENTS FOR 2015**

If you have a child who will be turning four years old before the 31st July 2015 and you would like to enrol them in our preschool for next year, please collect an application form from the front office. There are only 40 places available. The preschool currently operates two groups; one operating every Monday and Tuesday and alternate Wednesdays, the other operating Thursdays and Fridays and the alternate Wednesdays.

Priority must go to children who live in The Entrance Public School area and will be attending kindergarten at The Entrance Public School in 2016. Preference must also be given to students who have a disability, come from a low socio-economic family situation and/or are of Aboriginal or Torres Strait islander descent. A birth certificate is also required for proof of age.

The Garawa Pre-school is run by the Department of Education and Communities and fees have been heavily subsidised to cater for the needs of our community. This year the full fee rate per day is \$15 per day. If the family has a Health Care card or are Aboriginal, fee relief is applied and the cost is reduced to \$7.00 per day. To date fees have not been given to us for 2015.

K-6 BW NEWS**K-6BW**

As Term 4 comes to an end we are beginning to reflect on what a fabulous year 2014 has been in K6BW. The students have successfully integrated with their year for Sport, Scripture and other whole school opportunities including rehearsing for the upcoming TEPS Christmas concert. In Term 3 the students had a wonderful time attending swimming at Mingara and they have also taken part in exciting learning opportunities that work on assisting them to meet their individual goals throughout the year.

There has been a lot happening in class over the last fortnight. On Tuesday 2nd December the students in K6BW cooked 130 pikelets and raised money to put towards their end of year excursion. Thank you to everyone that ordered Pikelets. We hope you enjoyed them.

On Monday 1st December Cait, Ryan, Ella, Paul, Britney, Grace and Bailey received their awards for participating in the Premier's Reading Challenge. Congratulations.

We would like to wish our Year 6 student Britney Chandler all the best for high school next year. We will all miss her very much but know she will have a fabulous time at high school.

Thank you all for your support and contributions to making your child's schooling a success. We would like to wish everyone a very Merry Christmas and a safe and happy New Year.

STAGE 2 NEWS

4

A fortnight ago Stage Two had a You Can Do It Fun Day. Students engaged in fun activities associated with their emotional and social competencies such as resilience, confidence, getting along, persistence and organisation. Student activities built personal skills and strategies. It involved fun team games and activities. This was an exciting learning experience for all students in Stage Two.

As the year draws to the end students are starting to do exciting Christmas art and craft activities. Students from 2/3S are making fancy Christmas cards. Students from 4B are decorating Christmas baubles with Rudolfs.

This time of year is also important to celebrate a year together as a class. It is a time for games and to enjoy each other's company.

I would like to take the opportunity to say thank you to all Stage Two students and thank them for their efforts all year. I would like to thank the Stage Two teachers; Hannah Cooper, Katerina Hindson, Ally Bayfield, Natasha Shuker and Mark Littlewood for the hours of planning and preparing lessons, setting up fun days and doing **all** those additional extra curricula activities that make school a fun place. To the parents and community members thank you for your continued support and feedback. Thank you for transporting students to Gala Days, helping in classes and being great supporters of the school.

Stage Two Gold Day notes came home last week. We will be going to Bateau Bay Bowling followed by a BBQ lunch and treats at the PCYC at Bateau Bay. This should be a great day for those Gold Award winners. Alternative arrangements have been made for those staying back at school.

Christmas Concert is on tonight 5:00pm under the school COLA. There will be lots of great performances such as a Junkyard Orchestra, singing and dancing. Look forward to seeing you there.

Stage Two Presentation Assembly is Monday 15th December 9:45am please come and celebrate our school achievements.

Stage Two Team

STAGE 3

Hey Team,

It is an extremely busy time of year at school. Year 6 are getting excited for high school and Year 5 are getting excited to be moving into Year 6. I'm sure it is getting busy in your households too. Here are some of Stage 3 events:

High School Gala Day

By all accounts our High School Gala Day went really well. Students enjoyed the different sport activities that they were exposed to; Cricket, Frisbee, Soccer and Oz Tag were a big hit with our kids.

AVID

Our Avid training was a huge success. We have some innovative ideas to implement in our great school next year.

Sand, Surf and Sun (SSS)

We have been having a great time at SSS each Friday. Our students have been learning valuable water safety skills each week. Students please remember to bring your hat, sunscreen, rashy and a bottle of water each week. If your child is injured or unwell in any way and cannot attend SSS please provide your child's teacher with a doctor's certificate or note.

Christmas Concert Stage 3

We have been busy rehearsing for the TEPS Christmas Concert. Thank you to all Stage 3 children who have organised their outfit – **ALL BLACK + RED SANTA HAT**. We are excited to see you all there.

STAGE 3 GOLD

Congratulations to all Stage 3 students who have worked hard all year to achieve their Gold Award. Stage 3 is holding a special Movie Marathon next Monday where students who receive Gold will be invited to attend. Once again, a HUGE congratulations to these students!

Stage 3's 5 Big Days of Summer

To wrap up a great 2014, Stage 3 is holding 5 Big Days of Summer. The last five days of school will see us host five great activities to celebrate a successful school year:

Thursday 11/12- Stage 3's Got Talent

Friday 12/12 - Extended Sand, Surf & Sun at The Entrance Baths.

Monday 15/12 - Presentation Assembly/Gold Movie Marathon and Year 6 Farewell.

Tuesday 16/12 - Claymation/21st Century Learning

Wednesday 17/12 - Year 6 Big Breakfast and fun day at Mingara and Year 5 Class Parties.

I would just like this opportunity to congratulate students on a successful school year, parents and caregivers for your continual support and finally I really want to thank the team of exceptional teachers on Stage 3.

Have a Merry Christmas and a happy and safe holiday.

Russell Stefans
Assistant Principal, Stage 3

The Hour of Code is here!

We live in a world surrounded by technology. And we know that whatever field our students choose to go into as adults, their ability to succeed will increasingly hinge on understanding how technology works. But only a tiny fraction of us are learning computer science, and less students are studying it than a decade ago.

That's why our entire school is joining in on the largest learning event in history: The Hour of Code, during Computer Science Education Week (Dec. 8-14). Last year, 15 million students tried computer science in one week. This year, we're joining students worldwide to reach 100 million students!

Our Hour of Code is a statement that TEPS is ready to teach these foundational 21st century skills. To continue bringing programming activities to your students, we want to make our Hour of Code event huge.

If you would like to join in and complete your own Hour of Code, go to <http://code.org/learn> and try some of the tutorials. Alternatively, you can join me in the 21st Century classroom tomorrow (11th) between 11.45am and 1pm.

How many lines of code will you write?

SEO Roundup 2014**

Well, it's been a huge year for all in our fabulous TEPS Community! I'd like to take this opportunity to wish you all a very happy, healthy & safe holidays, Christmas and New Year ☺

A quick roundup of the year -

Brekky Club - Mr Dykeman & I would like to say a huge thankyou to our wonderful parent helper (Netti AhChong) & the many student helpers who've given up their time to help us every day in Brekky Club. Thanks also to those who've donated food items throughout the year – your support is very much appreciated. Special thanks go to our wonderful P&C, COLES - The Entrance, Killarney Vale Bakehouse, TEPS beautiful Canteen ladies and the wonderful Food Hub Coordinators for their incredible sponsorship and support.

This year TEPS Brekky Club have provided over 6000 breakfasts! As we continue to educate our children and families on the importance of eating a good breakfast at home each morning, we hope to see this figure decrease over time. We also understand that Brekky Club is very much needed for kids whose parents/guardians may simply have been running late at times, and that some students feel like they just need somewhere nice to sit with a friend and enjoy a bit of brekky or help out. Brekky Club will continue to operate in 2015 and our door is always open to parent helpers and donations of new cereals, spreads and long life milk.

Seasons for Growth (SFG) – Congratulations to all students who participated in TEPS Seasons for Growth courses during 2014. We've delivered this beautiful program to 7 groups this year! Our groups all ended with lots of smiling faces, new friendships formed and great skills learned. I look forward to working with students during 2015 on this lovely program aimed at students who've experienced grief, change or loss in their lives. Thanks to Mrs Anderson for your wonderful support as my SFG Supervisor. If you feel that your child who will be in Yrs 5 or 6 in 2015 would benefit from this program please phone the school and leave a message of referral for their teacher, myself or Mrs Anderson.

Tuggerah Lakes Learning Community (TLLC) Koori Choir – What a busy year we've had in Koori Choir! With the launch of our fantastic TLLC Koori Choir bus, workshops & performances at our neighbouring TLLC schools, Gulangfest, Aboriginal & Torres Strait Islander Children's Day and more, I'd say we need to give our voices a well-earned rest! Great job guys! Thankyou to our fantastic team of staff and parent helpers who support us.

TEPS TV & Photography – with TEPS TV now up and running and plenty of great feedback since its launch, I look forward to filming some exciting clips with students next year and hopefully linking the clips to our school webpage – stay tuned! Don't forget – if you've spotted a great photograph of your child in the office foyer (with no other students in the shot) and would like a copy, pop in and visit me with a usb and I can make a copy for you.

2015 is shaping up to be a fantastic & busy year in the Student Engagement Officer role, with our TEPS Centenary Celebrations coming up as well as our annual TLLC Student Leadership Conference and many other exciting events to assist with. I've recently completed my training as an Austswim Instructor and Rock & Water Advanced Trainer and really look forward to developing these qualifications into solid programs within TEPS during 2015.

Thanks to all students, staff & parents for a fantastic year at TEPS!

Peace & Love.....
Ms Bower ☺
