**PRINCIPAL'S REPORT**

Welcome to Week 8 and only a few weeks until Christmas, but still lots to get done before everyone enjoys a well deserved rest. Thank you to our school community on an absolutely amazing centenary celebration, and in particular thanks to our centenary committee, led by Mr Mee and Ms Wilson, for their outstanding work in celebrating this significant milestone.

Congratulations also to our students that received sporting awards at the Tuggerah Lakes Learning Community sports presentation at The Entrance senior campus on Wednesday. Please also be aware that over the next few weeks the police will have a greater presence in the area especially around the school in the mornings and afternoons. I urge all motorists and pedestrians to continue to obey the road safety laws to ensure the safety of our students and school community, especially in the Kiss and Ride zone. Also a reminder that under the smoke free laws, it is an offence to smoke within 4 metres of a pedestrian access point to a public building.

Thank you for assisting with making safety a priority for both our students and the school community.

Congratulations to all the students that have visited my office in the last fortnight to show me their wonderful writing and maths. The quality of the work is truly outstanding and shows that The Entrance Public School has very talented students and amazing teachers.

A reminder that if you have a concern regarding a conflict or have a concern with another student and your child that it is NOT appropriate to approach the child, all concerns must be raised with a staff member, Assistant Principal, Deputy Principal or the Principal. Failure to follow the correct way of dealing with these issues may result in the Police enforcing the Inclosed lands Act which then prevents access to the school.

Some kids will read perfectly in primary school and then suddenly struggle with comprehension in high school. Here's why.

**Planning for the future:** Throughout your child's school life you'll need to make choices about aspects of their education and future. Here's a selection of tips to help you plan for

parent-teacher talks, subject selection, careers advice and back-to-school.

Planning for the future:

**Maths at home:** Kids' early experiences with measurement are often based on watching their parents. Seeing mum or dad measure and pour ingredients for a recipe or weigh items at the fruit shop will often become part of their play.

**DEPUTY PRINCIPAL'S REPORT****School Centenary Celebrations**

What a brilliant two days, I am sure that the memories will linger on for our current students, former students and staff for many years. I know it will always be something that I will be very proud to have been a part of.

*One of the Swadling girls (Cheryl) was so pleased to have a photograph with her Year 2 Teacher, Jan Hodge. Kevin Bohringer walked into the library and ran into his cousins who had come down from Macksville for the event, he was so excited to tell me. One of the Evrard girls (Lockie Evrard's aunt), came over from New Zealand, especially for the event. Leo Dagg was so proud to have re-enacted his grandfather's first day at Tuggerah Entrance Half Time School and the list goes on.*

The two days' events could not have gone off so superbly without the efforts and support put in from all staff. The art & craft display in the hall was superb, many ex students commented on how great they were and what memories they brought back. The performances were wonderful and a special thank you to the students who came back to perform on the Saturday. The members of the P&C did a fantastic job catering for all. A huge thank you.

I must make a special mention of Joanne Sippel, who was responsible for the display drawers showcasing our loaned memorabilia in the library. She was a fantastic support in helping me set up the display.

I must also thank The Entrance Lions Club for running the barbecue on Saturday and the members of the Central Coast Machinery Club, The Central Coast Historic Car Club and The Fun Engine for bringing along their old vehicles and wares for our special Saturday.

Once again a very big thank you to all students, parents and staff, the two days of our centenary were fabulous. The Saturday night dinner at Diggers topped off a great two days.

**STAGE 2 – OZTAG GALA DAY**

On Thursday 12th November a boys and girls team represented The Entrance Public School at Adcock Park, West Gosford for Oztag. We had an amazing day with the girls winning all four of their games and the boys winning two out of their four games. The students played 15 minute games and really showed each other what teamwork is all about. Mrs. Canobie was so proud of each team and the behaviour that they displayed was outstanding. Thank you to the students and the parents that came to watch and assisted with the teams to make the day a memorable one. A special thank you to Matt Hyland for his assistance on the day. – Mrs Canobie

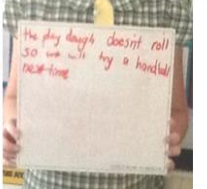

**Learning Snapshot**

This week's class snapshot is from 3S.

**3R LEARNING SNAPSHOT**

In 3S we have been learning about Rube Goldberg machines. We have researched Rube Goldberg and found out that he was a cartoonist. He was also an engineer. He used these two skills to design and draw crazy inventions. We also investigated the 6 simple machines so that we could create our own Rube Goldberg machines.

Here is the process we went through.

Hey Team,

**Year 6 High School Transition**

Last Wednesday TEPS Year 6 students transitioning to Tumby High School attended their High School Orientation Day. Students were broken into mixed groups including students from other schools that they will be attending high school with next year. Over the course of the day students were able to experience different aspects of high school life and become familiar with what will be their school come 2016.

This was a really positive day for students and many of them have come back keen to transition to high school and a little shocked at the early starts that they will need to get used to.

A Gala Day for all Year 6 students attending Tumby High School next year will be held on Wednesday 2<sup>nd</sup> December. On this day **STUDENTS CATCH THE BUS TO HIGH SCHOOL** (the bus which they will travel to high school on each day next year) and meet their Year 7 Advisors in the Gym at 8:00am. Students are required **TO BRING ALL OF THEIR OWN FOOD** for lunch and recess.

**2016 Year 6 School Shirts**

**Order for Year 6 Shirts for 2016 will be placed next Monday.** This is the **last opportunity** to order these shirts this year. Each Year 5 student has been given an order form for their 2016 Year 6 Shirt. These T-Shirts are ordered this year so that in the first week back students will receive their shirts. This shirt is the official school uniform for all Year 6 students. Once payment is received we can order your shirt. Consider ordering a size bigger than your child requires at this point in time- students grow and once shirts arrive there is no exchange policy. For help with sizing students can see Mrs Parker.

**Stage 3 '5 Big Days of Summer'**

To conclude the end of the year activities, Stage 3 will be participating in a program called '5 Big Days of Summer'. Details for the last five days of school for 2015 are being planned and finalised and will be sent home on a additional note.

**Year 6 Gift to the School**

Earlier this year our school office reception area was remodelled. Year 6 students have decided to complete the refurbishment of the foyer as their parting school gift. This will included a large trophy display case to house our school trophies and the Centenary Time Capsule and some comfortable lounges for people to use whilst they are waiting in the reception area. Keep your eye on the foyer as it continues to transform.

Have a great week team!

**HEADLICE**

A few cases of head lice have been found in the school. This infection is highly contagious. The most effective way to reduce incidents in the school is for all parents to carry out a thorough examination of their children's hair and treat any lice found at the same time. After you have treated the hair you need to retreat in 5-7 days after the first treatment to catch nymphs that have emerged from unhatched eggs.

More information regarding head lice and different treatment methods is available on the NSW Health website at [www.health.nsw.gov.au/headlice/](http://www.health.nsw.gov.au/headlice/)

**Valuables at School**

Valuables (toys) should not be brought to school. Students have access to sport equipment and two play gym sets for use during their breaks. We currently have close to 600 students in the school and ensuring toys are not damaged or lost is impossible. Apart from balls we ask that you keep these precious belongings at home.

**MOBILE PHONES**

There is no need for students to have access to a mobile phone during school hours as they can use the office phones to contact parents if necessary. We cannot guarantee the phones security and they can also disrupt lessons and cause issues if other students use them inappropriately. If you have any concerns regarding this request please contact the office.
