PRINCIPAL'S REPORT

Week 10 and Term 4 is nearly finished, I would like to wish all our families a safe and relaxing holiday and a very merry Christmas. Congratulations to our students and staff who have demonstrated outstanding commitment to their learning over the past year and deserve a holiday. Good luck to our year 6 students as they move into their next stage of education, I am sure they will continue to enjoy learning, also good luck to the families that will move over the Christmas holidays.

Thank you and a huge congratulations to our wonderful P&C led by Alison Leger who have had an enormous impact on the programs and resources that enable The Entrance Public School to provide outstanding opportunities for our school community. This year they have helped with our new playground equipment, the digital signage, the 21st century learning program, the breakfast club, developing the 2015-2017 school plan and countless hours at school functions.

Please also be aware that over the last two weeks of school, the police will have a greater presence in the area especially around the school in the mornings and afternoons. I urge all motorists and pedestrians to continue to obey the road safety laws to ensure the safety of our students and school community, especially in the Kiss and Ride zone.

Choosing school shoes: Are expensive school shoes the best option for happy feet? Let's face it. School shoes have never been at the cutting edge of fashion. In fact if you look at what your parents were wearing, the humble school shoe really hasn't evolved much at all.

Tips for choosing shoes:

<http://www.schoolatoz.nsw.edu.au/wellbeing/health/choosing-the-right-school-shoes>

Teach your kids to be waterproof: As temperatures rise, the risk of drowning increases too. Review these water-safety tips to help keep your family safe this summer.

Find out more:

<http://www.schoolatoz.nsw.edu.au/wellbeing/health/water-safety-tips>

Road safety reminder for parents and carers these holidays: Remember when walking near roads, on footpaths, near driveways and in car parks always: hold your child's hand, talk to your child about road safety and point out road safety dangers and differences in new environments.

The best way to keep your child safe on or near the road is to hold their hand. Talk with your child daily about road safety. For further information visit:

Our end of year presentation day assemblies are fast approaching. The Years 3-6 Assembly will be held on Monday 14th December, commencing at 9.45am. The Kindergarten to Year 2 Assembly will be held on Tuesday 15th December commencing at 9.45am. All of the Kindergarten students will be receiving their Kindergarten Certificates of Graduation at the K-2 assembly.

End of Year Reports

The end of year reports will go home next Monday 14th December. Please take the time to sit down with your child and to go through the report with them and praise them for the improvements and hard work they have put into their year of schooling. I have been very impressed with the reports that I have read.

Road Safety

One of the afternoon bus drivers has expressed his concern at the number of people (adults and children) crossing the road either in front of the parked bus or behind it. He has witnessed several near misses with oncoming or passing traffic. **Please use the pedestrian crossing at the corner of Campbell Ave, it is not much further to walk and well worth it, if it saves a life.**

A Big Thank You

Finally a very big thank you to all of the students for the hard work that they have done throughout the year, in class, in the playground, on the sporting field, in other cultural activities and in everything else. We have had a very enjoyable and

successful year because of your commitment to do your best. Thank you also to the parents for your continued support throughout the year. Success only comes if home and school work together. Well done, have a well earned and restful break and enjoy the Christmas period.

Keep up the great effort!

**Books in Homes Assembly**

On Friday the 4th of December 1B did an amazing job of hosting our first Books in Homes book giving assembly. Books in Homes Australia, is a not-for profit organisation that helps children and families develop and maintain a love for reading. Thirty six students were selected to receive 3 books at Friday's assembly and they will receive a further 3 books in both Terms 1 and 2. The school also receives copies of the books that the students choose.

Mingara is the sponsor for these books and Sarah Fernman representing Mingara and being the role model for Friday's assembly spoke about her love of reading which began as a small child reading Snugglypot and Cuddlepup books. Sarah then presented the book packs to our lucky students. David Streicher from Books in Homes who also attended gave the exciting news that we will have more sponsors next year so more of our students can be part of this wonderful program
