**PRINCIPAL'S REPORT**

Welcome to Week 10 and our last newsletter for the term. I would like to wish everyone a safe and relaxing holiday. I would also like to thank the staff and the school community for their hard work this term, which has been one of the busiest terms that I can remember with many outstanding achievements, especially our wonderful home reading program. Congratulations also to our students who have demonstrated outstanding commitment to their learning and in improving their personal best in all areas, and for wearing their uniform with pride.

Congratulations to Ms Bayfield and the whole school community on a fantastic school fair last weekend. It was impressive to see so many people supporting our local businesses and our awesome P&C. I have received lots of very positive messages about the quality of our school and the sense of pride in our local community. Well done to everyone.

We are currently making plans for our Kindergarten Transition to School program for students starting in 2017, which will commence in Week 2 Term 4. If you have a child or know of a child that may be starting at The Entrance Public School in 2017 could you please advise the office to assist us with planning for the transition program and enrolment at the best school on the Central Coast.

**Reduce, reuse, recycle:** Australians throw away 3.3 million tonnes of food every year – up to a quarter of the country's food supplies - mainly because we purchase too much. Consider planning your meals and only buy what you need. Reduce packaging in your child's lunchbox and use re-usable containers rather than plastic wrap where possible. It also leaves our school grounds much cleaner!

**Mobile Maths Games:** Channel your child's interest in playing mobile apps into a chance to improve their maths skills and recall. The free School A to Z app has a Maths Monkey game to help test times tables and the follow-up app, Maths Monkey's Quest (\$1.99), challenges kids from Yr 2 to Yr 8 with addition, subtraction, ratios and percentages. Both apps are created by the NSW Department of Education and are available for Apple iPhones and iPads, and Android phones and tablets. You'll find links to both here: <http://bit.ly/oSREYV>

**Selective schools :** Are you already thinking about your child's Year 7 placement in a selective school in 2018? Selective high schools are government high schools that cater for highly-achieving, academically talented students by offering an educationally enriched environment. Application for entry to a selective high school in Year 7 in 2018 will be online only, from 14 October, 2016. You'll find more information about selective schools and dates for examinations here: <http://bit.ly/selectiveHS>

**Students return to school on Monday 10<sup>th</sup> October for Term 4.**

Have a great holiday!

**Sport Report**

Huge congratulations to our six students who represented the Tuggerah Lakes Zone Athletics Team at the Sydney North Carnival at Homebush last week.

**Justine C - 100m, 200m**  
**Mackenzie M - 100m**  
**Natalie L - Discuss, Shot Put**  
**Kodhi A - Shot Put**  
**Jaz K - 200m**  
**Nino Z - 100m, 200m and High Jump**

All students were outstanding on the day and represented our school proudly.

Special congratulations to **Nino** and **Natalie** who will now represent Sydney North at the **State Athletics Carnival** in Term 4. It is a massive achievement to make it this far and we wish them all the best for the day.

**TEPS Fair**

**Our first fair was a huge success, many thanks to all the stall holders and community organisations who helped make our day so special.**

**Thank you to the staff and P&C volunteers who helped make the day run so smoothly. A great big thank you to all the families who attended, without you our day would not have been so successful.**

**DEPUTY PRINCIPAL'S REPORT**

Well done to everyone for another successful term. A very big thank you to all who have helped out throughout the term, whether in classrooms, in the canteen, at P&C sausage sizzles, Fathers' Day Stall, making costumes for the Book Week Character Parade, transporting children to events and the very successful school fair last weekend. It has been a very busy one, thank you for all your efforts and I hope everyone enjoys their two week vacation.

**Assembly**

Our final assembly for the term will be this Friday 23<sup>rd</sup> September, commencing at 9.30am. Parents are most welcome to attend.

**Win Bin Winners**

The following students were drawn out for the win bin awards, Kaitlyn 1B and Stephanie 1A. Congratulations to all of our wonderful students.

**University of NSW English Competition**

Congratulations to Teisha-May and Esther who received Participation certificates in the University of NSW English Competition. Special congratulations to Maddy who received a Credit certificate in the English Competition. A great result, well done.

**Warren Mee**

**DEPUTY PRINCIPAL**

**Attendance Award from Property Central**

Our attendance award was presented to Hamish of 4B for 100% attendance.

Congratulations to our home building award winners: The houses you created were fantastic. Thank you to Property Central for running this competition.

All students who entered the Greater Bank colouring in competition, will receive a voucher for \$5 to open an account. Winners will be announced on Friday at our assembly.

**Swim School**

Swim school will commence next term. A letter will be sent home after the holidays letting students know what they need to bring. All payments need to be finalised at the office.

We are currently making plans for our Kindergarten Transition to School program for students starting in 2017, which will commence in Week 2, Term 4. If you have a child or know of a child that may be starting at The Entrance Public School in 2017 could you please advise the office to assist us with planning for the transition program and enrolment at the best school on the Central Coast.

**Preschool Enrolments for 2017**

If you have a child who will be turning four years old before the 31<sup>st</sup> July, 2017 and you would like to enroll them in our preschool for next year, please collect an application form from the front office. There are only 40 places available. The preschool currently operates two groups; one operating every Monday and Tuesday and alternate Wednesdays, the other operating Thursdays and Fridays and the alternate Wednesdays.

Priority must go to children who live in The Entrance Public School area and will be attending kindergarten at The Entrance Public School in 2018. Preference must also be given to students who have a disability, come from a low socio-economic family situation and/or are of Aboriginal or Torres Strait Islander descent. A birth certificate is also required for proof of age.

The Garawa Pre-school is run by the Department of Education and fees have been heavily subsidised to cater for the needs of our community. This year the full fee rate per day is \$15 per day. If the family has a Health Care card or are Aboriginal, fee relief is applied and the cost is reduced to \$7.00 per day. To date fees have not been given to us for 2017.

**K-6 BW NEWS****K-6BW**

At the end of last term Chris Green retired from the Education Department after a wonderful career. As a result, our Human Resources Department conducted an eligibility process against the SLSO vacancy and matched Mrs Deb Eastment to the position. We would like to congratulate Mrs Eastment on her appointment as the permanent SLSO in our Support Class. Deb is a very experienced School Learning Support Officer who has worked at TEPS for over 10 years. She brings with her a wealth of skills and knowledge, and is already well known to K6BW students. To ensure a smooth transition for all students, Mrs Eastment will take up her new position at the start of 2017, but will spend time with us next term learning more about our students and routines. Mrs Sabien Stragliotto (Mrs S) will continue as our full time SLSO in Term 4.

**STAGE 1 NEWS****1****Pokemon Cards**

Could Parents/Caregivers please talk to their children about bringing their cards to school? Most children have been playing happily with them out in the playground but unfortunately, some arguments are now flaring up and flowing into the classroom.

**2**

This is taking up teaching time as teachers try to work out who owns what. If the cards are too precious to your child, please keep them at home. If your child can handle trading or the loss of one or two, then keep bringing them to school. We thank you for your support in this matter.

Congratulations for the following children who received a class award at our Stage 1 Assembly. Our clever home readers are included as well.

**STAGE 2 NEWS**

3

Dear Parents/ Caregivers,

4

What a busy end to the term we have had! Our school disco was awesome, the School Fair was awesome, and our excursion to Mangrove Mountain was extremely AWESOME. I must commend the behaviour of the students as their behaviour throughout this busy time was great, mature and respectful at all times. We are almost at the end of this busy term, so we ask that both you and your child remain safe during the school break.

Here at The Entrance Public School, we believe that students are just as much responsible for their learning as teachers are. We encourage them to take responsibility for all words that come out of their mouths and all actions that they perform. When students start taking responsibility for their actions, to show that they are aware of the choices they can make around them and are making these right choices as a result.

Being responsible means:

- Following the teacher's instructions
- Listening to others
- Being in charge of your actions
- Encouraging others to follow rules
- Telling the truth
- Admitting to and fixing your mistakes
- Taking care of your belongings

*The function of education is to teach one to think intensively and to think critically. Intelligence plus character - that is the goal of true education.*

*Martin Luther King, Jr.*

**Excursion**

Stage 2 had such a great time at Mangrove Mountain. The students participated in a series of teambuilding and confidence building activities which were aimed to further develop their skills and capabilities in this area. They then had their confidence put to the test with some high and challenging activities which they thoroughly enjoyed. Needless to say lunch was enjoyed by all.

**Drumming Group**

This term a few Year 4 students were selected to participate in a drumming program. This program consisted of learning and playing African drums while also building up their capacity and skill in communicating, confidence and teamwork. At the end of the 9 week program, the drumming group performed in front of their peers in Year 4 and their parents. The students were magnificent and played in beat the whole time. Students received a special certificate to acknowledge their hard work and dedication throughout this program.

A big thank you must go out to Natasha from Horizons and Ms Bayfield for organising this very special initiative.

**JunkYard Orchestra**

For the last 2 terms, 3C, 4L and 4B have been practising music in the Junkyard Orchestra. They have been learning how to read music as well as compose sounds and beats in a rhythm that is pleasing on the ears. The students been working hard in order to prepare for the outside performance at Erina Fair sponsored by Star FM. The performance on 15 September 2016 was a proud moment for all those who participated. Mrs Canobie and Ms Bayfield are to be congratulated for all their hard work in getting the students ready for this live performance. All of the students, including the ones who were able to attend the performance night, are to be commended and praised for their hard work, commitment and enthusiasm that they have displayed throughout this whole process. They have done TEPS extremely proud!

**Attendance -Tips for Parents*****Student absence fits into the following categories:***

1. Illness/injury
2. Truancy. Your child is absent from school without your knowledge
3. School Refusal. Your child does not want to attend school, even though you have tried.
4. School Withdrawal. Your child does not attend school with your permission, for example, family holidays.

**What's Happening in 3C!**

This term has been a busy term for 3C inside and outside the classroom. We have been working on STEM challenges, which involves us working in groups to create a team environment where we collaborate, plan, design and create. The hands on experience has been fun and we get to present our finished product in class producing amazing results.

We have also been incorporating 15 minutes of fitness into our daily morning sessions and really enjoy this time. We are learning all different skills involved around sport and staying fit. Some of the activities are shown below. We were also very lucky to have Mr. Littlewood organise for a couple of members of the NSW Cricket team to visit TEPS. This was a great day.

Mrs Canobie

**Regards**  
**Stage 2 Teachers**

**STAGE 3 NEWS**

We are off to Canberra!!!!

5

105 students and six teachers left TEPS this morning at 6:00 am bound for Canberra. Over the next three days students will visit Questacon, The National Dinosaur Museum, Parliament House, The Electoral Education Centre, Telstra Tower and The Australian War Memorial.

6

We are expected to arrive back at school on Friday at 6:00pm. Keep an eye on the TEPS Facebook page for updates of our three days at Canberra and for information regarding our arrival time on Friday night.

Students not attending Canberra will be catered for back at school.

Have a safe and happy holiday.

**The LaST News (Learning and Support Teachers)****HOME READING**

The reading achievements of TEPS students has been outstanding. Chloe, A-Litkim, Ty, Erin, Jakub, Chloe, Michael, Brodie, Katie, Miller and Gabrielle have received book prizes for reading 150 nights whilst Eliza, Marley-Jane, Aaliyah, Chloe, Temperance, Michael, Ruby, Kaiden, Hannah, Isla, Liam, Kaiden, Ruby and Mia have also received books for their 200 nights of reading. The next level for book prizes is 250 nights.

Our lucky book prize winners were Czhaay, Jaxson and Avneet. There are still lots of fantastic books to choose from so keep up the great efforts.

**Tell Them From Me Surveys**

Parents are invited to participate in the Tell Them From Me surveys. The survey is completed on-line and is run by an independent research company, **The Learning Bar**, which specialises in school-based surveys. This survey will help the school better understand how to improve student wellbeing and engagement. It will help the school identify what works to improve student outcomes. We encourage all parents to access this survey at <https://nsw.tellthemfromme.com/7vvh>. All answers are anonymous.

Alternatively a parent session will be offered in our top computer room on **Thursday 20<sup>th</sup> October** straight after morning assembly for you to complete the survey.

**LEARNING AND SUPPORT TEACHER**

**ENVIRONMENT TEAM**

Our Environment Team has been very busy in 2016, and we have just completed a major project working together with the Lions Club of The Entrance. Environment Representatives comprising of students from each class, from Year 2 to Year 6 have been fortunate to have the opportunity to create our own TEPS garden, which is now a permanent part of the North Entrance Community Sensory Garden. The garden, initially a joint project of Wyong Shire Council and Lions Club of The Entrance is located at Terilbah Reserve, The Entrance North. The gardens are filled with native trees and plants, a viewing platform overlooking the beautiful Tuggerah Lakes, pathways, bridges, restful seats and all weather shelters. The garden is constructed so that it is wheelchair friendly and suitable for all people and ages. A special feature of the garden of course is the sensory aspect. People who have no sight are able to feel, touch and smell the many aromas and textures of the Australian bush.

Our amazing and dedicated team have put in hours of work, as they collaboratively designed and created this wonderful new garden, as well as designing the magnificent sandstone plaque that says "School and Community, working together". Please take the time to visit our newly established garden with your family. The huge effort that our students put in to create this beautiful garden should be appreciated by many. A great big congratulations and thank you to our 2016 Environment Team - Paul, Ryan, Aiden, Lizzy, Kane, Nelson, Rhiarna, Dre, Mia, Reeve, Kaitlin, Hannah, Caleb, Ryan, Kalia, Amos and J Rezz - you've done an outstanding job!!

**Thank you for your support,  
Ms Wilson, Ms Bayfield, Mrs Burke.**
