Principal's Report

We take this opportunity to thank all the community involved in our Learning Support Evaluation. Many of our parents received phone calls to determine their understanding and our communication in regards to learning support for your children. This information, collated with interviews from staff and students will help us make plans to do our job better.

PARKING

Parking has become a serious issue and concern around the school. We are looking to work with council to come up with some better solutions for parking around the school, however there are areas the school needs to make some decisions around, especially in regards to your children's safety. Many parents are parking in the staff carpark at the end of the school day and having their children meet them there. I am concerned that this is a major safety issue, especially when a number of our students are leaving from that area. Most likely we will need to close the carpark gates as of 2020 onwards. We will look carefully at solutions for pick-ups and parent/student movement around the school to make this option viable.

PICKING UP CHILDREN FROM CLASSES

A habit has crept in where parents are calling the front office and requesting that their children be sent down for them to pick them up before school ends. This is causing major disruptions to work schedules and classroom operations. Please note: Parents will be asked to collect their children from classrooms. The school is looking at an updated phone system for 2020 to make this a smoother process.

Planning for 2020

The school is busily planning for 2020 with some exciting initiatives to come. If you are intending to leave the school in 2020, could you please contact the office to advise us.

Thank you

Dave Stitt
Principal

2019 Gulangfest Art Competition

Some students at TEPS and surrounding schools have created an Aboriginal and Torres Strait Islander art work for the annual 2019 Gulangfest Art Competition. Some have been selected from K-2 and 3-6 to be displayed at Bateau Bay Square from Tuesday 5th – 20th November 2019. Please go and check out our display!!

NSW Health Primary School Dental Program

NSW Health is working with public primary schools to offer free dental check-ups and preventive care to students as part of a school-based mobile dental program. Your child's school has been selected to participate in this program.

The program involves a mobile dental team making scheduled visits to your child's primary school. During the first appointment a dental check-up and preventive care package will be provided, subject to parental consent.

The program is scheduled to visit your child's school from 11th November till 29th November.

Parent Information and Consent Packs have been sent home, including information sheets, consent forms and the program privacy statement. Parents/guardians who want their child to receive care are advised to:

1. Read all the information provided
2. Carefully complete the consent forms
3. Return the consent forms to the school as soon as possible

More information about the program is available on the NSW Health website:

Daydream Garden Opening Ceremony

Thank you to everyone who came to the opening ceremony of our Daydream Garden. The children did a great job performing three songs including our Thank You to Darkinyung people, Heads and Shoulders in Darkinyung and Inanaay. These songs were chosen to share some language of Australia's first people with our community.

A big thank you to Tim Selwyn who did a beautiful smoking ceremony for the opening and even sung a special song just for our preschoolers.

I know the children are very excited to explore this new space and I can't wait to see them connecting with country, playing in the mud and sharing stories in the yarning circle.

Stage 1 News

STAGE ONE MINI ASSEMBLY

Stage One were so lucky to have a special guest perform at our Stage One Mini Assembly last Friday! Thank you Mr Stitt for dazzling us with your guitar skills and singing. Well done Mr Gallen and the wonderful students of 1/2G for hosting our assembly. The children did a brilliant job running the assembly and all spoke clearly and with confidence. Congratulations to all of the children who received a class award at our assembly.

SURF VISIT

Thank you Ms Chaffer for organising a visit from the Surf Life Saving Club. Our Students were very engaged in the talk and took away some VERY important messages about keeping themselves safe at the beach and around water.

WATER BOTTLES

Did you know dehydration can cause headaches, crankiness, fatigue and poor concentration? To stay properly hydrated, children need 4-6 glasses of water a day. Water and low fat milk are the best drinks for children. They quench their thirst without giving them all the sugar and additives found in fruit drinks and juices, soft drinks, sports drinks and flavoured mineral waters.

A shout out to all of the parents and carers who have been sending a bottle of water to school each day. Your support is most appreciated.

Kind Regards,
Donna Andrews and the Stage One team

Stage 2 News

Week 4 already and Stage 2 students are so busy completing their end of year formal assessment tasks. It is so rewarding for both the students and teachers to see the progression that has been made throughout the year. Be sure your child is at school each day, unless unwell, to complete these assessments and avoid catch ups!

Christmas Concert – Save the date!

We are having a day-time concert again this year. Year 3 and 4 will be performing separate items and all parents and carers are invited to attend and celebrate with us on Thursday, December 12th at 1.00pm. The students have started rehearsing and are very excited to perform. Details about what to wear will be sent out soon. Sausage sandwiches and drinks will be on sale.

FOR THE LOVE OF READING

All Stage 2 students gathered to choose another two quality texts last Friday. This is all possible thanks to the kind sponsorship of The Entrance Lions Club, who support this program annually with our Stage 2 students at TEPS. These books will be presented to the children by The Lions Club on Wednesday the 6th of November. This leaves us with NO EXCUSES to keep up the great reading each night and don't forget to record it on your reading log, in order to receive your reading certificates. If you have misplaced your reading log, remember to get a replacement copy off your classroom teacher. Remember the more you read the smarter you become!

Stage 3 News

Dear Parents/ Caregivers,

Weeks 4 to 5 are our assessment weeks- last assessments for the year! It is important to ensure that your child attends school everyday and has a good breakfast to help maintain concentration.

2020 Leaders

Captaincy speeches are on Thursday 7th November (tomorrow). Good luck to all candidates. Some of the expectations for being a school leader include:

- Punctuality- arriving at school on time
- Wearing full school uniform
- Participating in all school events
- Following TEPS' school values in the classroom, on the playground and in the school community

Our 2019 Leaders have been WONDERFUL and have raised the bar exceptionally high. We hope the students that are chosen to fill these positions do just as good of a job.

2020 Year 6 Shirts

Notes for the 2020 school shirts have gone home with our Year 5 students. After receiving feedback regarding this year's shirts, we have decided to go with Lowes. The Year 6 Leavers Shirt will have an increased cost but will also be made with better material.

Orders received at the office by Wednesday 11th December will be delivered to the school by April 2020.

There is an order form attached to the newsletter.

Gardening Group

Last term we were working hard on transitioning from our old garden area to the new garden (near the food hub). We have been working hard and our new garden is looking amazing with lots of colour, gorgeous plants, herbs and vegetables. Our garden also consists of a worm farm and composting bins that the students look after. A big thank you to the Year 6 students Paul, Brodie, Jakub and Callum who collect fruit scraps from the classrooms on a daily basis to place into the worm farm and compost bins.

We would also like to thank Mr. Kellaheer for providing the mulch for our garden, without your assistance our gardens areas would not look this fantastic! A shout out to 1C and 6B for giving up their time to assist with cleaning up the garden areas and spreading the mulch. Well done to KA, KW, KQ, K6B, 1C and the gardening group for planting, maintaining and harvesting your garden beds, we hope you enjoyed this experience.

Have a look at our photos below of our hard workers and the smiles on the faces of our students harvesting their gardens.

Recycle Your Ink Cartridges Here At School

Hi everyone,

The Environment Team are recycling used printer ink cartridges on behalf of Planet Ark. Every year thousands of used ink cartridges go to landfill when they could actually be recycled. We have a collection box here at school, so think of the environment and recycle your cartridges. Drop them off at the office.

Thank you!
